- 

Location

Shanghai, Jing'an, China

Certification level

Platinum

Percent of Overall Diversion Achieved

98.6%

Facility Size

5,166,677 sq. ft.

Project Overview

We have a plan to meet our zero waste goal and our commitment to improve our diversion over time in our zero waste policy. The plan is to reach certain diversion targets over time until we meet 100% diversion. At each step in the plan, we will be implementing new zero waste practices to increase our diversion and meet our commitment. We have an annual review and update of the listed objectives to ensure we stay on track.
